## Look what our clients are saying about us!

Catherine Davis and Allstate saved my family over \$700.00 per year for the same insurance coverage. Her service and prices were so impressive that I now share her as a resource with my real estate clients, 100% of whom, have also selected her for their home owner's insurance policies after comparing her rates to other insurance companies."

**- Jen Rice, Superior, CO**

"I saved more than 30% on my home and auto policies when I switched to Davis Financial and Insurance. But, even more importantly, Catherine listened to my needs and helped design the best policies for my lifestyle and financial situation. She spent more time listening to me and working with me individually than my previous agent did in three years. By taking the time to get to know me, Catherine is able to offer the most appropriate services for my needs. Moreover, she has kept in regular contact with me to let me know about important policy issues, as well as to stay aware of how my situation may be changing. Her personal touch is truly appreciated. My experience with her firm has been great, and I would absolutely recommend her firm to anyone."

**- Brian Bolton, Louisville, CO**

"Catherine and her team are friendly, professional and fast! The best part is that they doubled my coverage and saved me over \$300 per year on my auto insurance when compared to what I used to pay that unnamed company with the lizard. I even gave her competitors a chance to meet or beat her quote and they couldn't. Catherine is helpful, approachable and knowledgeable on all issues I have thrown at her relating to insurance and investments."
